

MINUTES of the 05/08/18
Regular meeting of the
CENTRAL LYON COUNTY VECTOR CONTROL BOARD

The meeting was called to order at 5:00p.m. as posted. Members present: Jerry Culwell, Mary Smith, Tyler Minor & Toni Anderson. Tim Plants from Integrity Pest Management.

Tim presented IPM's bill for April & it was approved.

Members had nothing to report.

Tim gave everyone a copy of the USGS report on the river for the first week in April. Frey Spray has already treated the river this year. The river flow is such that black flies aren't able to survive & treatment hasn't been necessary yet.

There being no further business the meeting was adjourned at 5:30.
