DANCING UNDER THE STARS

“The Garage Boys”

MAIN STAGE 8:30 to 12:00

The Garage Boys formed in 2007 and have been rocking the Las Vegas Strip since, along with some amazing times in Alaska, Texas, Oklahoma, California, Arizona and North Carolina. Their shows primarily are all-request cover gigs. What they noticed from their audiences of all ages was the desire for classic rock. Younger people may like pop artists like Katy Perry or Justin Bieber, but they still want to hear “You shook me all night long” and “Living on a Prayer”. These songs still spark the new generation’s enthusiasm for guitar-based rock. That is one of the inspirations behind the Garage Boys unique album. These four guys come from different walks of life and each member of the band shows their unique style and history in their first album. They have a retro-rock sound that appeals to people in their 20’s as much as it does for people in their 40’s and beyond. The self-titled debut transcends generations and its unique sound is the result of four talented musicians with years of experience coming together. Each member is inspired by different genres of music. Their new self-titled album was released in March of 2012.

We know you will find something that speaks to you.

The Band Next Door was originally started in 2016 with the founding member Rick Hammond. We lost him to Cancer. We were a four-piece band until that time. Now we are a three-piece band after finding a new drummer and a new guitar player. Now we are a power trio. Sparky Clark playing Bass Guitar and Lead vocals, Brett Wooldridge playing Lead Guitar and Vocals, George Blackstone on Drums.
