

JOB DESCRIPTION

JOB TITLE:	Senior Fleet Services Technician	FLSA:	Non-Exempt
DEPARTMENT:	Fleet	GRADE:	T3
REPORTS TO:	Fleet Services Supervisor	DATE:	03/08/2021

SUMMARY OF JOB PURPOSE:

Responsible for journey level work in the maintenance and repair of light, medium, and heavy motorized equipment used in County operations.

ESSENTIAL FUNCTIONS:

This class specification lists the major duties and requirements of the job and is not all-inclusive. Incumbent(s) may be expected to perform job-related duties other than those contained in this document and may be required to have specific job-related knowledge and skills.

- Schedules and sets priorities for maintenance and repair of equipment with the various user departments; completes computer-based repair orders, reviews repair orders to ensure accuracy and completeness, and evaluates the work upon completion; maintains communications with clients on repair status.
- Performs diagnostics, preventative maintenance, and repairs on a wide variety of County vehicles and equipment to include tune-ups, overhauling engines, transmissions, differentials, clutches, brakes, drive trains, generators, computer controlled fuel injection and emission related equipment, carburetors, air conditioning, electrical, cooling, suspension, pumps, hydraulic systems, and steering.
- Performs fabrication, welding, and modification of parts for installation of specialized equipment.
- Examines and fuels generators for water and waste water (utilities) operations.
- Operates automotive and general shop equipment to include lathes, gas and arc welding equipment, engine analyzers, tire equipment, scanners, and computers; complies with and helps enforce shop safety rules.
- Orders and procures parts for equipment; inspects parts for accuracy and condition; ensures that all invoices are current and that they are properly processed for payment; assists in the maintenance and security of parts storage facilities.
- Operates equipment and drives County vehicles, trucks and equipment as required; tests and/or regularly operates heavy-duty vehicles and equipment; transports vehicles.
- Manages the County's fire extinguisher program.
- Perform inspections and repairs in the field.
- Ensures that safety rules and regulations are adhered to, and that the work zone and all equipment are in safe operating condition.
- Maintains records of work performed and materials used.
- Contributes to the efficiency and effectiveness of the unit's service to its customers by offering suggestions and directing or participating as an active member of a team.
- Represents the County with dignity, integrity, and a spirit of cooperation in all relationships with staff and the public.

This job description indicates, in general, the nature and levels of work, knowledge, skills, abilities and other essential functions (as covered under the Americans with Disabilities Act) expected of the incumbent. It is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities required of the incumbent. Incumbent may be asked to perform other duties as required.

SENIOR FLEET SERVICES TECHNICIAN
