

JOB DESCRIPTION

JOB TITLE:	Senior Road Maintainer	FLSA:	Non-Exempt
DEPARTMENT:	Road	GRADE:	A4
REPORTS TO:	Road Maintenance Supervisor	DATE:	10/06/2016

SUMMARY OF JOB PURPOSE:

Responsible for assigning, directing, reviewing and performing duties related to the construction, repair and maintenance of roads and related County areas surrounding such facilities and ensure public safety.

ESSENTIAL FUNCTIONS:

This class specification lists the major duties and requirements of the job and is not all-inclusive. Incumbent(s) may be expected to perform job-related duties other than those contained in this document and may be required to have specific job-related knowledge and skills.

- Provides lead direction, training and work review to a crew; organizes and assigns work, sets priorities, and follows-up to ensure coordination and completion of assigned work.
- Instructs assigned staff in work and safety procedures.
- Safely maintains and operates assigned equipment to maintain County dirt, gravel and paved roads and County rights of ways; identifies appropriate tasks and equipment to complete maintenance tasks.
- Types of equipment operated include, but are not limited to, road graders, tractor-trailers (belly dumps, tankers, transport), dump trucks, water trucks, loaders, backhoes, dozers, rollers, sweepers, Vactor trucks, snowplows, sanders, pickups and others.
- Repairs or replaces asphalt or concrete; covers pot holes; seals cracks in asphalt; installs, cleans and repairs culverts; sprays or removes weeds and brush; performs a variety of other manual tasks including lifting, carrying and use of hand tools.
- Keeps records of time worked, equipment and supplies used, and conditions observed. Basic computer skills are required.
- Performs routine maintenance and repairs on equipment (adjusts, lubricates, and replaces fluids on equipment); checks for wear and for needed repairs, cleans equipment; cleans, sharpens, and adjusts manual tools.
- Will be required to assist other County departments, agencies and staff during emergencies or scheduled projects. A high level of teamwork is required.
- May be required to use welding, cutting, and other typical shop and hand tools required for making repairs or modifications.
- Installs and maintains traffic control devices such as traffic markings, street signs, street lights, warning and/or traffic lights, traffic counts and assists the sign maintenance staff when needed.
- Required to respond to after hours, weekend, holiday and emergency callouts as needed such as snow removal, flooding, fire, or other emergency.
- Assumes duties of Supervisor as required.

This job description indicates, in general, the nature and levels of work, knowledge, skills, abilities and other essential functions (as covered under the Americans with Disabilities Act) expected of the incumbent. It is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities required of the incumbent. Incumbent may be asked to perform other duties as required.
