

DRAFT MASTER PLAN VIRTUAL TOWN HALL MEETINGS

Following the first round of public outreach meetings, the Draft Master Plan is available for review. A series of virtual Town Hall meetings will be held to present the Draft Master Plan, and review proposed changes and next steps.

The public is welcome to attend any (or all!) of the Town Hall meetings, however, following a presentation of the Draft Master Plan, each meeting will focus on one or two specific communities.

Input received during this public outreach phase will be incorporated as appropriate into the Master Plan Update.

If you are unable to attend, materials are available on Lyon County's webpage for public review and comment.
